## **President's Corner**

Welcome to our first edition of the newsletter for 2010. I would like to thank our sponsors for their generous support again this season. Thank you to the committee, football department, dunny club members & all the coaches for their hard work in the off season.

After a good win by the seconds in round one and a shaky start by the colts & seniors, we bounced back to reverse the results against East Burwood last week. We eagerly anticipate coming up against one of the competition benchmarks this week in Balwyn. We invite our friends from Balwyn to join us for half time & after match refreshments.

I would invite all supporters to become members of the club. See Heather Mcleod for details. If you are looking for club merchandise David Payne is your man. David is at the club most Thursdays & Saturdays. We have a list on the notice board of all the jobs in the club & who is responsible for them.

Some projects that we have finalised over summer are the installation of our new front fence (in conjunction with the junior club) and a 500,000 litre water tank under the bottom oval with thanks to David Cooper & the Knox City Council. The coach's box is a work in progress, as is the storage container between the two ovals. We would like to re-do the ceiling in the social room and are looking for helpers & materials. If you can help, talk to project leader Wayne Whitten 0413 441 998. We are also looking to raise money for lighting of the top oval & if you can help in any way please see me.

If you haven't already, please check out our website at <http://www.knoxfootballclub.org.au>

Thanks to Rick Smith at PFD foods for generously organising a sponsors lunch at PFD headquarters a couple of Fridays ago. Top class meal & fine wine. Thanks also to Dean Mathews for sponsoring the Boags product on the day. Great day had by all.

Fantastic work by the players & the ladies in running the jungle night last Saturday. Everyone got dressed up & in the spirit of things. It was a big hit & sets the standard for social functions for the year.

Good luck to all this week.  
Go Falcons

### Seniors - Rd 1 vs Scoresby

After a gruelling long hot summer pre season, I was looking forward to seeing how we would acquit ourselves against our local arch rival Scoresby. I think we all found out pretty quickly that in this competition, if you pay no respect to your direct opponent they will hurt you and Scoresby did just that against us early on in the game. Their intensity and ball use was first class and they played very well as a team. We struggled early to play with any structure or direction and before we knew it the game was well and truly over, however after a few home truths to the group at 3/4 time we won the last quarter by a point. Positives for the day was the form of some of our new recruits, Curry, Michalides, Stuckey and Laurie were in our best half a dozen players along with Josh Bolton. I am extremely confident that you will see a different attitude against East Burwood in round 2.

### Seniors - Rd 2 vs East Burwood

What a difference a good week on the track and the right attitude can have on a group of men who want to redeem themselves. Our theme for the week was redemption and redeem ourselves we did, after another slow start to the game the Knox boys dug deep and played some really good football during different parts of the day. Our run and carry and ability to follow instructions was crucial in coming away with the 4 points in round 2. Without paying any disrespect to East Burwood I thought the final margin should have been at least 5 goals after kicking 2 goals 8 in the final term. Our fitness really showed today after losing 2 players before half time and our ability to work for each other was terrific as was our courage. Better players for the day were Harper, Bakes, Curry, Tredrea, Stuckey, Sigersma, L. Williams & Dennis. Lets not get carried away with 1 win because we have a huge challenge this week against Balwyn who will be the benchmark this year. See you at the footy. Tyson

## Coaches Reports

### Reserves - Rd 1 vs Scoresby

After a great pre season by all and the calibre of players in the team big things were expected against Scoresby. After 15 minutes it looked like it was all Knox but after that it was a battle against good opposition. Our running early was great and teamwork second to none. Unfortunately we stopped doing the good things started playing selfish footy which let Scoresby back in the game to the point they were 1 goal down with 10 mins to play. Luckily we kicked 3 quick goals and run out winners in the end. We must learn to play the full game out if we are to become consistent footballers. Best Players: Flippa, Patty, Whitts, Special, Adams and Canning

KNOX	5.1	8.1	10.2	13.4	82
SCORESBY	1.3	2.6	4.8	9.10	64

### Reserves - Rd 2 vs East Burwood

We had a great week on the track and after winning last week I thought we were ready to have a great game against East Burwood. Once again our first 15 minutes was as good as you will see anywhere but once again we fell away after that. We stopped being accountable in the mid field and they got too much easy ball and kicked 7 goals in the 3rd quarter which cost us the game. I thought we had enough in us to run over them but we weren't good enough and ended up going down by a couple of kicks. Sometimes as a coach you feel that you have the better team and still lose. That is how I felt and I will work on my deficiencies as a coach, as I know all players will on their running out full quarters and games. Losing like that only makes us more determined next time. Best Players: Dimma, Patty, Flippa, Aiello, BJ and Roachy. Revenge is sweet. Take it out against Balwyn this week. Kelts

## Coaches Reports

### Colts - Rd 1 vs Scoresby

Colts had a poor start to the year with some pretty ordinary practice match form leading up to the first game against Scoresby. Fortunately they improved somewhat and put in their best performance to date against a very strong Scoresby side. We matched them in patches throughout the match but Scoresby were just too good in general and won easily by 15 goals. If we can get 24 TC's next week (tough competitors), then we stand a chance against East Burwood. The young fellas need to collectively lift as individuals to create a determined team approach. Harris, Forrest, Tyler, Ierufi, Wallace and Wait battled hard.

KNOX	0.0	1.0	3.5	6.5	41
SCORESBY	2.7	8.13	12.18	19.25	139

### Colts - Rd 2 vs East Burwood

During the week I asked the guys for a further life because I knew there was a lot more available for them to give. Only a handful are playing to the level that is needed and the rest need to stand up and be accounted for. Well we got the lift and we ended up with a really good hard fought 8 point, come from behind win. Once again Harris, Forrest, Wallace and Tyler showed their dogged determination for four quarters but this time there were significant contributors in Jordan, Morgan, Gregory, Lepore and Hair to help also for much of the game. Others also had improved performances on last week. If we can keep adding names to the list and continue to improve our skills, who knows what might eventuate. Rowville this week will be an interesting challenge.
