Greg "Hollywood" Krenn from G.K.Travel is our new sponsor of the warm up tops for the colts. See Hollywood for all your travel needs. Joe & Jane Barbenti from Marty's Automotive is our new sponsor for the warm up tops for the senior club. For your car servicing you can't go past Marty's Automotive.

Please support our sponsors, they are the life blood of our football club.

Thank you to the committee, football department, dunny club members & all the coaches for their hard work in the off season. I am sure all the hard work will pay off with positive results for the season. Today we meet last season finalists in Blackburn. This should be a good indicator of our progress on the game plan so far.

A new development to start shortly is the reconstruction of the car parks. During the construction period we have available to us the school & kindergarten car park. Please car pool if you can, as parking will be at a premium. Construction is expected to last approx 6 weeks or so.

Welcome to all our new players and your wives/partners and parents. We wish the players all the best for the season & we hope you all enjoy your time at the club.

First social function of the year is a "Band Night" Saturday 16th April from 7.00pm at the club. Featuring are The Pierce Brothers. They are a group for all ages & we would like all players, supporters & parents to come along & join in. Entry \$10 Guys. LADIES FREE & 1st beer, wine or champagne is complimentary.

Seniors - Practice Matches

v Corowa - We set off to play Corowa up on the Murray in what were perfect conditions. They were a very strong defensive side who pressured us well. They had already played a practice game and were slightly ahead of us in terms of structures and fresher legs. We had total control of the game with our defensive pressure in the second term and should have made the most from our many inside 50m entries.

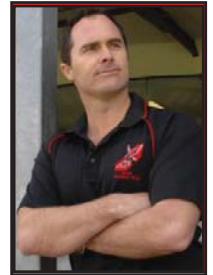

We were not really concerned with the score but we were concerned with the low amount of scoreboard pressure we applied with the abundance of entries we had. It was great to see all players believe in the game plan and we will only get better as a result.

Corowa ran out slight winners by 8 points but will take away many positives. We also had a wonderful night up there and lots of team bonding occurred. Highlights were Bolts' Peter Garret impersonation and Deesal passionate chant of the Team song. Best players were: B. Adams, T McEvoy, Tredrea, Special, Flip

v Norwood - We started well with great attack on the ball and our reaction time to set up our defensive structures had gone up a level. Our midfielders and forwards were applying enormous pressure and Norwood knew we were a different UNIT than the one they faced in 2010. Unfortunately they kicked what turned out to be some very important goals early in the quarter. We then steadied and again could not apply to pressure on the scoreboard we needed. We had all the play, we just needed to be more selfish and have a shot for goal or lower the eyes to someone not in the danger zone as Norwood had 2 players that were 'picking' us off each time we bombed forward.

Our second quarter was very good and again we had all the play but it was our 3rd quarter that was outstanding. We kicked 2 goals 11 and our inside 50's were double Norwood's. I also know our pressure was so much higher than theirs as we forced them to turn it over so many times. Taylor McEvoy, Todd Daniher, Braet Adams and Special were the main instigators of this. We were getting great run from Bakesy, Treders and Georgey and Norwood knew they were getting a great hit out. Unfortunately Georgy, Braet and Scotty sustained some injuries which took their toll on our rotations a fraction but it was a great effort. With one more practice match to go to fine tune our game plan I say, 'bring on Blackburn in round 1'.

Best Players: Adams, Tredrea, Daniher, Williams, McEvoy, Howard, Phillips, Kay

Reserves - Practice Matches

v Corowa

After a long and hard pre season we were finally able to hit the playing field and test out what we had been working on all summer. A weekend to Corowa was up first and the guys were full of enthusiasm despite the heat and an extraordinarily large ground. After some initial lapses in our game plan and set ups we were able to work things out and enjoyed a productive hit out with some good performances from our younger players and some of our new players to the club and senior ranks.

Better Players: Lepore, Bevan, O'Keefe, Crabtree, Birchall, Tyler

v Norwood

Next up was Norwood at home and an opportunity to test our structures against familiar opponents. We were outstanding early and stuck to the game plan exceptionally well, but this did not reflect on the score board. However the score was not relevant to what we were trying to achieve and the guys were pretty excited about seeing the results of our pre season work in full swing. As fatigue set in we lapsed a little but all in all another good hit out.

Better Players: Greaves, T.McGown, Crosbie, Tyler, Higgins, Jordan

v Mooroolbark

At home against Mooroolbark would be our last hit out before the real stuff starts. The guys were pretty flat in the first half and their concentration and work rate was disappointing, but to their credit they turned things around after the main break and dominated the rest of the game. It has been great to see everyone working hard towards one goal and I am looking forward to seeing the guys continue their development during the season and hopefully see a number of them push into the senior side.

Better Players: Greaves, Mohr, Jordan, Lepore, O'Keefe, Kenworthy
