## **President's Corner**

A tough weekend for both the seniors & colts, but brightened by a terrific performance by the reserves (albeit against a weakened opposition). I am sure all our supporters look forward to a better showing in our home clash with South Croydon this week.

This Saturday we have the player's auction in our social rooms from 7.00pm with the auction starting around 7.30pm till 9.30pm and being hosted by one of our major sponsors Andrew Freeman from Ray White Real Estate. Thanks Andrew for donating your time. Free entry for all Falconian members. Nibbles will be provided and we expect all players to be there.

A couple of other upcoming events are our Scoreboard lunch Sat 29th May - please see me for bookings - and the Queens Birthday draw Sat 12th June - please see Hollywood for tickets

We had our U/9's & 10's down at the club for a feed and soft drink last Thursday and next Thursday 13th we have the U/11's & 12's. The senior club sponsors a junior team to eat with the seniors every second week to continue to foster our "one" club theme. I hope the boys enjoy it and we encourage our colts & senior players to mix with the kids & parents.

We would love all our "supporters" to become members. Please see Heather McLeod for details.

## Coaches Reports

### Seniors - Rd 3 vs Balwyn

Round 3 was always going to be a huge challenge for us a group coming up against a very disciplined and talented team in Balwyn. I though for the first 3 quarters we played reasonably well and took the contest up to Balwyn, unfortunately in the last 30 minutes of play we had too many players who simply did not work hard enough, became lazy and simply fell away from everything we spoke about before the game. 94 points was the eventual winning margin for Balwyn and I thought it was not really a true indicator of how well we played at times, although we all know you can't be competitive at this level if you only play in patches. Simply the next 2 weeks will shape our season with games against Sth Croydon and East Ringwood, I implore every player at the club to work harder than you have before and step up to the challenge this week.

Best players against Balwyn were: Dom Dunne, Sam Jeffery, Sheebo, Jake Dennis, Ziggy and Joel McGown. See you at the footy, Tyson

### Reserves - Rd 3 vs Balwyn

After a disappointing loss last week to East Burwood Pete and I were hoping that the boys would bounce back against Balwyn. One of our biggest concerns was that knowing Balwyn have been struggling and not playing so well that our mindset may not be the best. We spoke with the boys about playing the way we want to and not worrying too much about opposition. Our main goal was to play one on one in the first quarter and be accountable for an opposition player which we lacked badly the weeks before. Whilst we didnt kick a lot of goals in the first quarter, the boys stuck to our plan and did what was asked. On ballers were much better and we were winning all over the ground. The next 3 quarters saw us playing some great football, with fast movement and hitting targets. One good aspect was seeing the blocks and protection of the ball carrier which is one thing i am big on. If we look after our team mates as we should then we should control the play for most of the game. Also was great to se BJ and Bakes (after a little indiscretion earlier) come back to playing good honest footy and getting a lot of ball. To end up 30 goals in front at the end was irrelevant as the opposition was very weak but to see the way we teamed up was very pleasing. It is going to be hard each week at selection but I figure it puts pressure on all players to perform not only on Saturdays but at training as well. A word that will determine just how good we can be is ATTITUDE. Best Players were: Roachie (8 goals), Fent, Callinan, Miller, Paddy, BJ, Dukes. Virtually the whole team.

## **Coaches Reports**

### **Colts - Rd 3 vs Rowville**

Colts started off well against Rowville but couldn't kick goals when given the chance to create some important early scoreboard pressure. Midway through the second quarter we dropped off with our intensity and concentration allowing Rowville to kick some pretty easy goals and set up a handy lead at half time. After the long break we again started well but again dropped off and both teams kicked three goals for the quarter. In the final term with the wind and a four goal lead, Rowville made us look disinterested and ran away 10 goal goal winners. Not happy. Tyler, Kenworthy, Gregory, Stanic, Jordan were the better players.

ROWVILLE	1.2	6.5	10.9	16.15	111
KNOX	1.5	2.6	6.11	6.12	48
