## **President's Corner**

Some good signs from all teams over the last few weeks. We are improving each week & it's evident that our game plan is starting to work & if we can string four quarters together, we will roll one of the big name teams shortly.

Unfortunately Gian Baranello suffered a major injury on Saturday & will be out of action for some time. Let's make sure we support Gia as much as possible & keep him as part of the club until he is ready to go again. Good luck Gia on a full recovery. On a brighter note, some good news for Jezza & Alana Mohr with the birth of their first future Falcon, little Hamish. All are doing well & great to see the proud parents & the little fella at the footy on Saturday. Congratulations Jezza & Alana.

Our next major function is the major draw on Saturday June 12th at 1.00pm in the social rooms. Please support this event. It's great value & our major fundraiser. See Greg "Hollywood" Krenn or David "Diesel" Garrett for tickets

Welcome to our U/13's who are having a training run with the colts & then a BBQ after training. This is part of our "one club" theme for the junior & senior footy club. Can the senior players & supporters introduce yourself to the kids & parents & make them feel welcome.

We would love all our "supporters" to become members. Please see Heather McLeod for details. Please support our sponsors by using & endorsing their products.

## Coaches Reports

### Seniors - Rd 5 vs East Ringwood

I was really looking forward to this game against East Ringwood to see if we could string 2 games together and gain some momentum this year for the first time. We started the game very well and led by 20 odd points at quarter time but were a little lucky that East Ringwood missed a couple of vital shots for goal, our run & carry game at time was first class. The second quarter was a similar one to the first and we headed into the break 25 points in front and playing good footy. The third quarter as usual this year was our worst by a long way, our intensity dropped away, we got mauled at the stoppages, we became unaccountable and lazy and let East Ringwood back into the game. The first 5 minutes of the last quarter the opposition threw everything they had at us and hit the front on the scoreboard, fortunately we settled and started to work hard for each other with 2 way running and run and carry. Big Dom and Willo dominated the last 20 minutes of footy and we kicked the last 5 goals to run away with a 35 point win. Best players: Willo, Bolts, Bakes, Fent, Gordo, Joel.

EAST RINGWOOD	2.5	4.13	10.15	12.18	90
KNOX	6.7	9.11	12.11	18.13	121

### Seniors - Rd 6 vs Vermont

I always knew that to win this game we would have to string 4 quarters of footy together and at the half way mark of this game we were half way there. Our first two quarters we fantastic because we tackled, chased, harassed and put enormous pressure on Vermont, Gordo, Willo, Bakes and Treders were playing very well and Darcy and Patty had kept Froud and Greig to 3 goals between them. Again our concentration after the break let us down and allowed the opposition to get a run on and kick 7 goals to 2 for the quarter, our tackle count dropped from 15 per quarter before half time to just 5 for the entire third term which was very disappointing. The final term was a little better apart from our ability to convert scoring opportunities into goals, kicking 2 goals 5 for the term ( 4 points from set shots ). Vermont had their tales up and ended the contest with 3 quick goals. Plenty of positives out of the game though, we played some terrific footy against a quality team but must realise that it takes 120 minutes of good hard contested footy to beat the best teams in this competition. Concentration and voice are the keys boys so lets work hard on those this week. Best players: Willo, Darcy, Gordo, Bakes, Patty.

## Coaches Reports

### Reserves - Rd 5 vs East Ringwood

After a good win versus Sth Croydon I was hoping we could string together another good 4 quarters of football. After a tight first quarter where East Ringwoods CHF cut us to pieces we went into the break only a goal in front. The second quarter Jacob started to get his hands on the ball first and gave our midfielders first use, our tackle pressure increased and we played much better kicking 5 goals for the term. The third quarter was again a good quarter with Scotty Davis and Zack Davies playing very well for the term and our backline holding the opposition to 2 goals. The last quarter was very pleasing and we ran all over the top of East Ringwood with good run and carry and finished kicking 8 straight goals for the term to run out 100 point winners. Best players: Castricum, Britten, Davis, Rowdy, Davies.

EAST RINGWOOD	2.1	2.1	4.2	6.4	40
KNOX	3.2	8.3	14.8	22.8	140

### Reserves - Rd 6 vs Vermont

Vermont at Vermont is always a tough ask in any grade of footy and we knew we would have to play well to win. After another close first quarter with both teams throwing everything at one another we ended up only a goal in front although I thought it should of been much more. The second quarter we steadied and played some good footy in patches, Special was applying great defensive pressure, Rowdy was finding the ball and Saundo, Greavesy and Bondsy were also playing well, we couldn't put Vermont away on the scoreboard and went in at half time 15 points up. The third term started with both teams trying to gain accendency and we were getting on top of Vermont but again bad kicking in front of goal kept them in the game, we kicked 3 goals 5 for the term to take a 19 point advantage heading into the last quarter. Due to a sickening injury to one of our great players and clubman Gia early in the last term, the game was called off early with us 16 points in front. I for one wish G a speedy recovery and hope the rest of the club can play just that little bit harder for the rest of the year for him. Best players: Special, Greaves, Rowdy, Saundo, Michalides, Bondsy.

## Coaches Reports

### Colts - Rd 5 vs East Ringwood

Colts had a shocking start to the East Ringwood game being 8 goals to 0 down at quarter time. Then to really annoy me we outscored them in the second quarter 4 goals to 2! Just goes to show what we can do if we have the right attitude. We battled on in the second half just not with the attitude and desire that's needed and went down by 98 points. Four quarter effort needed next week. Better players; Birch, Wallace, Lepore, Fitzy, Jordan and Rice.

EAST RINGWOOD	8.4	10.7	15.14	20.26	146
KNOX	0.0	4.3	5.4	7.6	48

### Colts - Rd 6 vs Vermont

Against the undefeated top team Vermont we needed a good start. We did reasonably well and competed and at half time we were 6 goals down. In the third quarter we let things slip and they increased the margin substantially. In the last quarter we had a crack and broke even for the quarter. Once again we were competitive when our attitude was right. The fellas need to understand to be successful requires constant effort and persistence. Better players; Rice, Hair, McCarthy, Maguire, Lepore and Stanic.
