PRESIDENTS CORNER

Well what a mixed result the last couple of weeks has been. Great day against Scoresby with the two's & ones getting up in exciting results, followed by an ordinary day at Norwood for both senior teams. I'm sure our senior boys will put their hands up this week. Great to see our colts play some good consistent footy all day to get over Norwood in their first win of the season. Well done guys.

Thanks to all our sponsors, life members, past players & supporters who came to the presidents lunch against Scoresby. We hope to see you all at our next social function on Saturday 23rd of May from 7.00pm for our Casino night. Always lots of prizes & fun for all ages.

A reminder to all players to get your player sponsors money in and to promote the major draw coming up on the long weekend 6th June. All the best & a speedy recovery to Sean Roach, Matt Potter & Adam Slater who have all suffered long term injuries. Make sure we all support these guys.

We welcome the committee & supporters of Lilydale footy club this Saturday & hope to catch up with you in the rooms after the game for a drink.

On a sad note Our deepest sympathies go out to the Paul & Fiona Taylor on the passing of their son Richard last weekend in a tragic motor cycle accident. The Taylors have been great supporters of the junior & senior football club and the cricket club. Our thoughts & prayers are with you. A service will be held Friday 22nd May at 1.00pm at St.Judes and afterwards a celebration of Richards life from 2.30pm till 5.00pm at the social rooms of the Knox Football Club.

MATCH REPORTS

COLTS

Knox 11-10-76 def by Scoresby 15-9-99

Once again the Colts after getting themselves into a strong position faded in the second half and went down by four goals. After being in front by 20 points at the main break and having Scoresby on the run, they took their foot off the accelerator and gave up the four points. Pretty obvious those four quarters of committed footy is necessary to win, not just two. Hopefully they will learn from this second similar loss. Once again, Tyler, Callinan, O'Keefe, Bevan and Rice battled hard

for the four quarters but they need others to start standing up with them and sharing the workload.

Knox 12-9-81 def Norwood 4-12-36

Finally the Colts realised their potential and recorded their first win for 2009. For the third game in a row the boys went in at half time with a good lead on their opposition. Only this time however, they didn't squander it and kept up the pressure in the second half and increased their lead to record a terrific 45 point win over quality opposition.

The team is now back in the mix and should gain a lot of confidence from the win. Great to see some new faces in the better players, who are helping to share the workload. Well done to Greavesy, Paddy, Pezza, Bevo, Fitzy and PT who all had excellent games. We now need to maintain this momentum and work ethic next week against Lilydale.

RESERVES

Knox 12-16-88 def Scoresby 12-13-85

Again we were unable to put a team away when the opportunity provides itself, a close game all day with no side really wanting create something. We were able to establish a small lead but then threw it away with selfish footy. The last quarter was a real battle but we were able to hold on to a deserved win by a few points. With the amount of team changes every week it is hard for us to find some consistent form but with the abundance of players available we just need to work on some aspects of our game and I am sure we can start to put together four quarters, still undefeated so that is pleasing with a huge amount of improvement still to come.

Knox 8-14-62 def by Norwood 8-16-64

After probably the toughest selection night of the year we headed to Norwood with quite a strong side. we weathered the storm early with conditions a little slippery and then during the second quarter started to get out running game going to break out to a 4 goal lead. it was brought back to 13 points at the break as we rotated heavily for fresh legs to run away with the game in the last quarter. What we soon learnt was that endeavor and commitment are the ingredients for victory and not fresh legs and Norwood steamed home over the top of us for a two point loss.

It was very disappointing and i look forward to seeing how the lads bounce back this weekend.

On a sad note the game was held up in the third quarter as our star ruck man Matthew POTTER snapped his leg in several places. Potter is in hospital waiting for his operation Wednesday night after the swelling dies down; we all wish him a speedy recovery.

Lets hope when we see a teammate put his body on the line for the team again us as teammates do the honorable thing and show some fight for them bring on Lilydale

SENIORS

Knox 20-8-128 def Scoresby 17-17-119

A great day for footy with us up against old rivals in Scoresby, we were able to establish a 6 goal lead mid way through the second term but they hit back and kicked the next 6 goals going into the break a couple of points up. We had been well served by Tredders and Slats down forward, the down side was losing Noys and Jess Smith which impeded our ability to have rotations after half time. But to our character we were ale to apply good pressure in an excellent third term to establish winning lead but again Scoresby came back in the last quarter but we were able to hold on to a great team effort and 9 point win. A huge test this week with Norwood over at their ground we look forward ot the challenge.

Knox 9-7-61 def by Norwood 23-19-157

After coming of a great win last week we traveled to Norwood with some confidence unfortunately that's where it ended. We were completely out played by a team that was first in and hungry for the ball.

The 1st division competition shows that if you are slightly off your game you will get found out very quickly as everyone saw. As a group we need to work to eradicate those performances out of our season and show we can match it week in week out.

Some of the better players were clarky, simmo and dimma.

Let's put this effort behind us and look to be more consistent and honest in our efforts.

VETS

Knox 8.6.54 def by Kilsyth 8.10.58

Knox Goals: S.Wynd 3, C.Collard, A.Baker, R.Marget, S.Hunter, C.Dunn

Knox Best: R.Marget, C.Dunn, J.Turner, D.McCafferty, M.Attard, G.Dunn

A fortnight is a long time in footy and Kilsyth gave us a lesson in discipline and preparation. After beating the reigning premiers in Round 1 it was a heavy fall going down to a Kilsyth outfit we should have clearly beaten. The first quarter, Knox was lucky not to be further down with some easy misses by Kilsyth keeping us in the game. From the first bounce it was evident that Knox was not switched on and it showed going in at quarter time 12 pts down. Rod Marget was doing his best in the middle and with some solid defensive pressure were able to force Kilsyth into kicking 2.6. The second quarter was much of the same but Knox's backline held up well with Clayton Dunn and Mark Attard running in straight lines and winning a lot of hard ball. Knox went in 13 pts down at half time and needed to pick up the intensity if we were going to challenge a determined Kilsyth outfit. Clearly disgusted with the way Knox were playing, Knox came out after half time and started to win some hard ball through Doug McCafferty, Jimmy Turner and Scott Hunter. Knox kicked the first 3 goals of the quarter to place them in front just before Kilsyth rallied to draw level with Knox at three quarter time.

Feeling Knox could run the game out better, the Falcons came out after the last break to kick the first two goals and set up a 14 pt lead with about 8 minutes left in the quarter. To Kilsyth's credit they kicked the next 3 goals and held on to a 4 point victory.
